Central Alabama Mountain Pedalers (CAMP-SORBA)

Request for Proposal for Chewacla Bike Trail Design

January 16, 2014

Responses Due: 4:00 pm CST February 16th, 2014

Contact: Philip Darden

I. Introduction:

Central Alabama Mountain Pedalers (CAMP-SORBA) invites proposals for the design of additional multi-use trails in Chewacla State Park. In addition to the base design proposal, we also request proposals for additional design options, and mechanized trail construction workshop as alternates to the base proposal. Based on previous work experience, your firm has been selected to receive this RFP and is invited to submit a proposal to produce the necessary deliverables described herein.

II. Background:

CAMP-SORBA is an IMBA Chapter located in Alabama. Our service area covers most of Central Alabama with our primary focus currently on the Auburn-Opelika area. We have recently received an RTP grant from the State of Alabama to continue our efforts in building exceptional trail in Chewacla State Park.

Currently we have a trail system that includes roughly 16 miles of hand-cut, moderately technical tread. We would like to expand our trail offerings by providing a more modern trail design that incorporates machine cut, open and flowy features. Additionally we would like to include some already existing trail that has historical merit, having held the first NORBA National race east of the Mississippi river.

III. Submission Procedure:

Proposals conforming to the requirements set out below must be received by P.O. Box 2556, Auburn, Al 36831 by US mail, courier or email camp.sorba@gmail.com no later than the deadline given above. All submittals must be received in PC - CD form
